MD. AHMED MOHAMED SIILAANYO
GUDDOOMIYAHA XISBIGA KULMIYE   Tacsi ka socota ururka East Africa Policy Institute.

Dear all,

It is with a heavy heart and a great sense of loss that we mourn the loss of Said Maygag Samatar who passed away in California yesterday after a prolonged illness. Said was a visionary, a patriot, an eternal optimist and a good friend who navigated the often tumultuous waters of our politics with deft and grace beyond his age.

Having organized the last Sopri Convention with Said here in Washington DC, we in this community feel particularly proud of that event and feel blessed to have had a chance to work with this remarkable individual who is and shall remain our standard bearer for many years to come.

He left us a big void that is going to be hard to fill and we all shall miss him dearly.
May Allah forgive his sins and reward him in Heaven.

Mahdi Ahmed Abdi "Gabose"
Chairman of East Africa Policy Institute.
